

ICT iTAGS - CABLE TAG LABELS

Manufactured from high density polyethylene with a clear film overlay, iTags are a great cable tag option. These tags are designed for maximum strength and durability. Text can be clearly printed on these tags with the AWMS-245 Plus printer. They come on a roll with a perforated carrier for easy tag removal. This thin, but durable tag can be used for not only cable identification, but also an excellent choice for wire bundles, conduit, hoses and many other applications. When secured with cable ties, these tags will allow you to easily identify your cables.

FEATURES

- Four slots for securing tag with cable ties
- Perforated carrier for easy removal of tag
- Tear resistant
- Made in USA - complies with the Buy American Act
- Prints on same thermal printers as other Impact, Inc. wire markers and label products
- Thin for flexibility
- Compatible with the AWMS-245 Plus printer

MATERIAL

- High density polyethylene, 7.5 Mil

PROPERTIES

- RoHS compliant
- Unaffected by most chemicals
- Excellent print quality on both sides

SERVICE TEMP RANGE

- -40°F to 225°F
